NAMIBIA SENIOR SECONDARY CERTIFICATE (SUBJECT AWARD)

Explanatory Notes

This Certificate reports the result of each NSSC subject taken by the candidate as follows:

The syllabuses for Higher Level represent a greater breadth of content and understanding than those for Ordinary Level. Higher Level results in individual subjects are indicated by the grades 1(ONE), 2(TWO), 3(THREE) and 4(FOUR). Grade 1(ONE) is awarded to those candidates showing highest ability in a subject and Grade 4(FOUR) is awarded to those candidates showing minimum satisfactory performance. Performances below the standard of Grade 4(FOUR) are not recorded on the Certificate.

Ordinary Level results in individual subjects are indicated by the grades A*(a*), A(a), B(b), C(c), D(d), E(e), F(f) and G(g). Grade A*(a*) is awarded to those candidates showing highest ability in a subject and Grade G(g) is awarded to those candidates showing minimum satisfactory performance. Performances below the standard of Grade G(g) are not recorded on the Certificate. For Office Administration and Keyboarding Applications an endorsement for typing speed, the result being indicated by the number of words per minute, will be recorded on the Certificate as appropriate.

The University of Cambridge Local Examinations Syndicate (UCLES) confirms that the standard and demand of each grade awarded for NSSC Higher Level subjects on this Certificate is equivalent to the corresponding grade awarded for the Higher International General Certificate of Secondary Education (HIGCSE) subjects formerly offered by UCLES. UCLES further confirms that the standard and demand of each grade awarded for NSSC Ordinary Level subjects on this Certificate is equivalent to the corresponding grade awarded for the International General Certificate of Secondary Education (IGCSE) subjects offered by UCLES and that grades A* to E awarded for the NSSC Ordinary Level subjects are equivalent to the corresponding grades for the GCE O (Ordinary) Level subjects offered by UCLES.

This Certificate is issued under the Agreement of 11 January 2011 entered into by and between the Ministry of Education and the University of Cambridge Local Examinations Syndicate relating to the Accreditation of the Namibia Senior Secondary Certificate (NSSC) Subject Award. The NSSC Subject Award Certificate meets the minimum requirements approved by the Minister of Education and the Namibia Qualifications Authority will assign a National Qualifications Framework (NQF) value for each result shown on the Certificate.
