To whom it may concern.

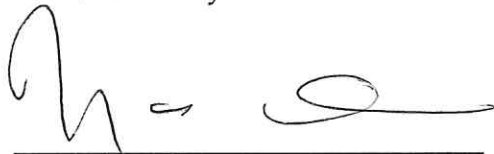

This is to certify that **Mr. Tjiratjiza ViakondoJurgen** ID number **97100100399** has been doing casual job at NORED Electricity from 22nd February 2022 till 30 June 2022. He is based at NORED Ongwediva Regional Centre.

He has proven to be exemplary, mannered and he has shown great potential in execution of his work as well as the will to learn more. **Mr. Tjiratjiza ViakondoJurgen** has the ability and he has shown great perseverance to perform well under pressure by coping as a team worker. He is managing his time and planning his work very well. Again, he has developed the leadership skill so rapidly.

He has participated in doing new connections and installations of the new customers on the NORED grid whereby he gained most of his experience. He did witness operation on Low and Medium voltages in both towns and villages. He did witness the operation on 11KV, 22KV & 33KV reticulations of course while accompanying the supervision of An Appointed Operator or An Authorized Person, he also witnessed the planting of Transformer and have got overview on EXLPE Cable joint, termination, site investigation as well as do LV & MV infrastructure maintenance including line inspection. He did participate in HV line commissioning & earth testing, installation testing and housekeeping.

I therefore recommend him for any opportunity or a job training to further advance his experience and skills upgrade in his profession.

Yours faithfully
